# MAYFIELD HIGH SCHOOL

## ALMA MATER

**First verse:**

Oh, Mayfield, 'tis of thee we sing,  
From thee our Blessings spring,  
Accept the tribute of our song,  
O, Mayfield, wise and strong,  
We love thy colors green and white  
Afloat on High so bright.  
May they e're prove a beacon light  
To guide our steps aright.

**Second verse:**

When we have left our high school dear  
To wander on this old sphere,  
When trials of life have made us sad  
We'll have a thought for cheer.  
A memory of our Mayfield days  
When all our hearts were light;  
We'll not forget we love you yet,  
School of the green and white.

**Chorus:**

Mayfield, Oh Mayfield,  
Our high school dear.  
When we're with thee,  
We have naught to fear.  
Always to thee  
Our hearts will yield.  
We'll e're be true to thee,  
Our own Mayfield.
